To The Employees of Los Alamos National Laboratory:

The Northern New Mexico/Los Alamos United Way campaign kickoff is a tremendous success, thanks to the generous support of the employees of Los Alamos National Laboratory.

This year's kickoff started at Fuller Lodge with a great mariachi band, a delicious barbeque plate, free ice cream, and book sales from books Are Fun providing over \$ 4,400.00 in contributions. The opportunity for LANL employees to shop for quality books at the Otowi Building after the Fuller Lodge event is an important aspect of the kickoff.

On behalf of all of our member agencies, thank you for your continuing support, and we honor your commitment to improving the quality of life in our northern New Mexico communities.

Sincerely,
